MEMORANDUM FOR: Acting Chief, Propaganda Division, Covert Action Staff, DD/P

SUBJECT: FDD Report "Review of Communist Theoretical Journals"

REFERENCE: Your memorandum of 30 March 1960, same subject

1. We appreciate your encouraging and constructive comments on the first issue of subject report.

2. The second issue of the report is now in typing and will necessarily follow the general composition of the first issue. However, we are studying your well-founded suggestions together with the comments being received from other offices toward the end of tailoring this report to the needs of the community. We have already directed our attention to your suggestion of "tightening" the language to avoid possible misinterpretations.

3. We will be pleased to receive any further comments on the report that will assist us in providing satisfactory coverage of this material for you and our other consumers.

MEMORANDUM FOR: Chief, International Communism Division, DD/P

SUBJECT: FDD Report "Review of Communist Theoretical Journals"

REFERENCE: Your memorandum of 25 March 1960, same subject

1. We appreciate your searching and constructive comments on the first issue of subject report.

2. The second issue of this report is now in typing and will therefore necessarily follow the general composition of the first issue. However, we are studying your detailed comments and suggestions together with those being received from other offices with the aim of tailoring this report to the needs of the community.

3. We will be pleased to receive any further comments on the report that will assist us in providing satisfactory coverage of this material for you and our other consumers.

MEMORANDUM FOR: Chief, Senior Research Staff on International
Communism, DD/I

SUBJECT: FDD Report "Review of Communist Theoretical Journals"

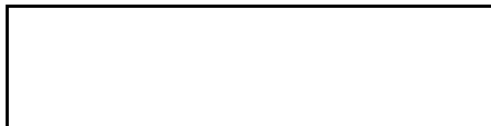

REFERENCE: Your memorandum of 16 March 1960, same subject

1. We appreciate the thoughtful and constructive comments received from you on the first issue of subject report.

2. While the second issue of the report which is now in typing will necessarily follow the general composition of the first issue, future reports in this series will endeavor to embody your suggestions, especially in reducing treatment of routine propaganda items.

3. We will be pleased to receive any further comments on this report that will assist us in providing the coverage required by our consumers.
